Find St Catherine's

Ideally located we are situated within a mile of Wakefield City Centre and close to the M1/M62

DIRECTIONS

From the M1 junction 39: Follow the A636 into Wakefield Centre. At the large roundabout turn right onto Ings Road (this is the A638) past Homebase etc. and stay in the right hand lane after the slip lane for Homebase.

From the M1 junction 40:- Come off the motorway on the A636 and stay on this until you almost reach the city centre. You will go through three sets of lights, past Morrisons and on towards the bottom of Westgate. As you proceed up Westgate, stay in the right lane and look out for the MYCCI building on your left. Almost immediately after, turn right at the lights (before the railway bridge and Westgate station) and follow this road, still the A636, under the bridge. Cross the roundabout onto Ings Road and stay in the right hand lane after the slip lane onto the industrial estate.

Both routes: Shortly, take the right fork at the lights under the railway bridge and stay left as you proceed over Chantry Bridge and through the traffic lights. You will pass a garage on your left. Look out for Elm Tree Street on your left, slow down because St Catherine's is almost opposite on your right. Drive past the Church and take the next right into Oasis Health Club where parking is available to you (watch out for a Wimpy Sign).

PARKING

Delegates and visitors to St Catherine's are authorised to park in the Superbowl Car Park which is next to Wakefield Trinity Rugby Ground and only 100 Yards from the Centre. Please park away from the entrance of the Oasis Health Club and wherever possible in front of the grey fence at the far end of the car park.

St Catherine's parking is situated at the far end of the car park on the rough ground, adjacent to the grey fence.
